

## FALCON CLUB OF AMERICA MEMBERSHIP APPLICATION

We are the **THE FALCON CLUB OF AMERICA** and  
we are **STRONG** in our conviction and dedication.

### **WHY A FALCON CLUB?**

FCA was formed to band together owners of the Falcon automobile to provide an exchange of ideas, technical information, amusing reminiscences and the availability of parts (often at a substantial discount). Lasting friendships are formed through local get-togethers and at the Club's National Meet each year.

### **WHAT MEMBERSHIP MEANS**

Whether your Falcon serves as everyday transportation, a relaxing plaything, or both, you'll find valuable help in your preservation and restoration as well as interesting facts and information from the Club and many fellow Club Members.

Our Newsletter, "**THE FALCON NEWS**" is sent out each month to all the Club's Members and contains information so valuable you will want to file it away for future reference.

### **WHO BELONGS?**

FCA has people of all ages — from retired folks to teenagers still in school. Among our members are men and women of all professions; individuals who could certainly afford more costly or newer cars if they chose.

### **PREMIUM PACKET**

Every new member receives a New Member Packet upon payment of dues. This includes a personal membership card, Falcon Club cards to pass out to others who might be interested in the Club, and a copy of the latest Newsletter.

Dues are \$25.00 a year (\$30.00 outside the United States — U.S. Dollars)

payable to **THE FALCON CLUB OF AMERICA**

### RAYMOND TRIGG

of Las Cruces, New Mexico bought this 1965 Ranchero for \$400 in October 1995. Ray says it was a "basket case off a farm in North Dona Ana County, NM. After four years of restoration, our Ranchero was Class winner in 1999 and 2000 in several local car shows." The paint is Springtime Yellow with custom chromed wheels and black Tonneau cover. Ray says the Ranchero is "slightly modified under the hood" with a later model (1980) 200 CID I-6, with Duraspark ignition, three row radiator, electric fan and 2.83 gears.

Ray and Hazel enjoy taking the Ranchero to car shows and they enjoy reading the Falcon National News.
